BEHAVIORAL HEALTH

Learning Objectives

PURPOSE: To create an understanding of the standards and expectations of this Announcement of Funding Availability (AFA) cycle, as well as provide other useful guidelines and tips to be used during proposal preparation.

Technical Assistance Overview

- SOR Grant Highlights
- BBH AFA 101
- Fiscal and Legal Responsibilities
- Specialized AFA Support

State Opioid Response Grant (SOR)

WV has been awarded \$28 million per year for 2 years.

How the Funds Can Be Used:

- Increase *access to Medication Assisted Treatment (MAT)* (methadone, buprenorphine, naltrexone)
- Reduce *unmet treatment need* (medication *and* psychosocial interventions)
- Reduce *opioid overdose-related deaths* through prevention, treatment, and recovery activities for Opioid Use Disorder (OUD).

SOR Required Activities - Part 1

- Implement service delivery models that enable a full spectrum of treatment and recovery services that result in:
 - ✓ Positive treatment outcomes
 - ✓ Long-term recovery

- Implement community recovery support services:
 - ✓ Peer supports
 - ✓ Recovery coaches
 - ✓ Recovery housing

- Implement prevention and education services including:
 - ✓ Training of peers and first responders on recognition and response to overdose
 - ✓ Community prevention efforts through messaging
 - ✓ Purchase and distribution of naloxone with training on usage

SOR Required Activities – Part 2

- Ensure that all applicable practitioners obtain a DATA waiver.
- Develop strategies to eliminate or reduce the treatment costs for the uninsured and underinsured.
- Provide treatment transitions and coverage for patients reentering the community from criminal justice or rehabilitative settings.
- Provide SAMSHA-funded Opioid Technical Assistance and Training (TA/T) on evidence-based practices to healthcare providers in the state who render services.

SOR Data Requirements

- Report client-level data (GPRA) on elements including but not limited to: diagnosis, demographic characteristics, substance use, services received, types of MAT received, length of stay in treatment, employment status, criminal justice involvement, and housing.
- Data will be collected via face-to-face interviews using this tool at four data collection points:
 - ✓ intake to services,
 - ✓ three months post intake,
 - ✓ six months post intake, and
 - ✓ at discharge.
- Recipients will be expected to do a GPRA interview on all clients in their specified unduplicated target number and are also expected to achieve a three-month follow-up rate of 80 percent and a six-month follow-up rate of 80 percent.

Person-Centered Care: Priority Populations

- People who inject drugs
- Pregnant and postpartum women (and their children)
- Justice-involved individuals returning to the community
- Individuals who identify as LGBTQ
- Veterans

Experience to Build On

- Cabell County experience
- OUD prevention in Strategic Planning Framework
- MAT Hub and Spoke, including Comprehensive Opioid Addiction Treatment (COAT)
- Quick Response Team (QRT) and Law Enforcement Assisted Diversion (LEAD)
- Provider Response Organization for Addiction Care and Treatment (PROACT), Project ENGAGE, (community-based treatment and recovery services)
- Motivational Interviewing skills (MI), Trauma-responsive Care & Systems, Mental Health First Aid (MHFA)
- Peers

Award Funding Sources

- Funding source: SAMHSA State Opioid Response Grant
- Each AFA has a dedicated source of funds and a specific set of rules that may apply to each source of funds.
- Refer to the Catalog of Federal Domestic Assistance (CFDA) or the Office and Management and Budget (OMB) circulars for questions pertaining to specific permissible and/or prohibited budgetary items considered for inclusion in proposed budgets.

Common Proposal Elements

- Organizational Information
- Elevator Message (paragraph)
- Abstract-1 Page Summary (may be included in Narrative)
- Narrative
- Budget and Budget Narrative

Purpose of the Narrative

- *Telling and selling your story*
- Conveying a concept-explaining an idea
- Convincing others
- Creating a roadmap from start to finish
- Convincing **strangers to invest in your project**

Parts of the Narrative

- Narrative establishes need or justification
- Goal/intent/program - What you are going to do with the money?
- Methodology/procedures for implementation
- Evaluation - How are we going to know you did what you said you were going to do?
- Timeline
- Dissemination of results

Budgets and Budget Narratives

- Common categories
- Personnel to include salary and benefits
- Travel details
- Equipment
- Supplies
- Contractual
- Other costs
- Facilities and administration (indirect)

Technology and Proposal Writing

- Online submission
- Downloading software
- Compressing large documents
- No last minute submissions!

Example: www.grants.gov

Rules for Writing

- Stay away from jargon.
- Avoid words that are trendy.
- Do not use abbreviations.
- Do not try to sound like an “intellectual” by using big words, but be “smart.”
- Don’t use phrases over and over.
- Watch for unclear inferences.

The Nasty Nine

1. Fragmentation
2. Reactive Mode
3. Prescriptive Programs (One Size Fits All)
4. Superficial Networking
5. Lack of Evaluation
6. Lack of Strategic Planning
7. Lack of Clear Leadership
8. Target Population Viewed/Treated as Objects
9. Diffused Mission

The Needed Nine

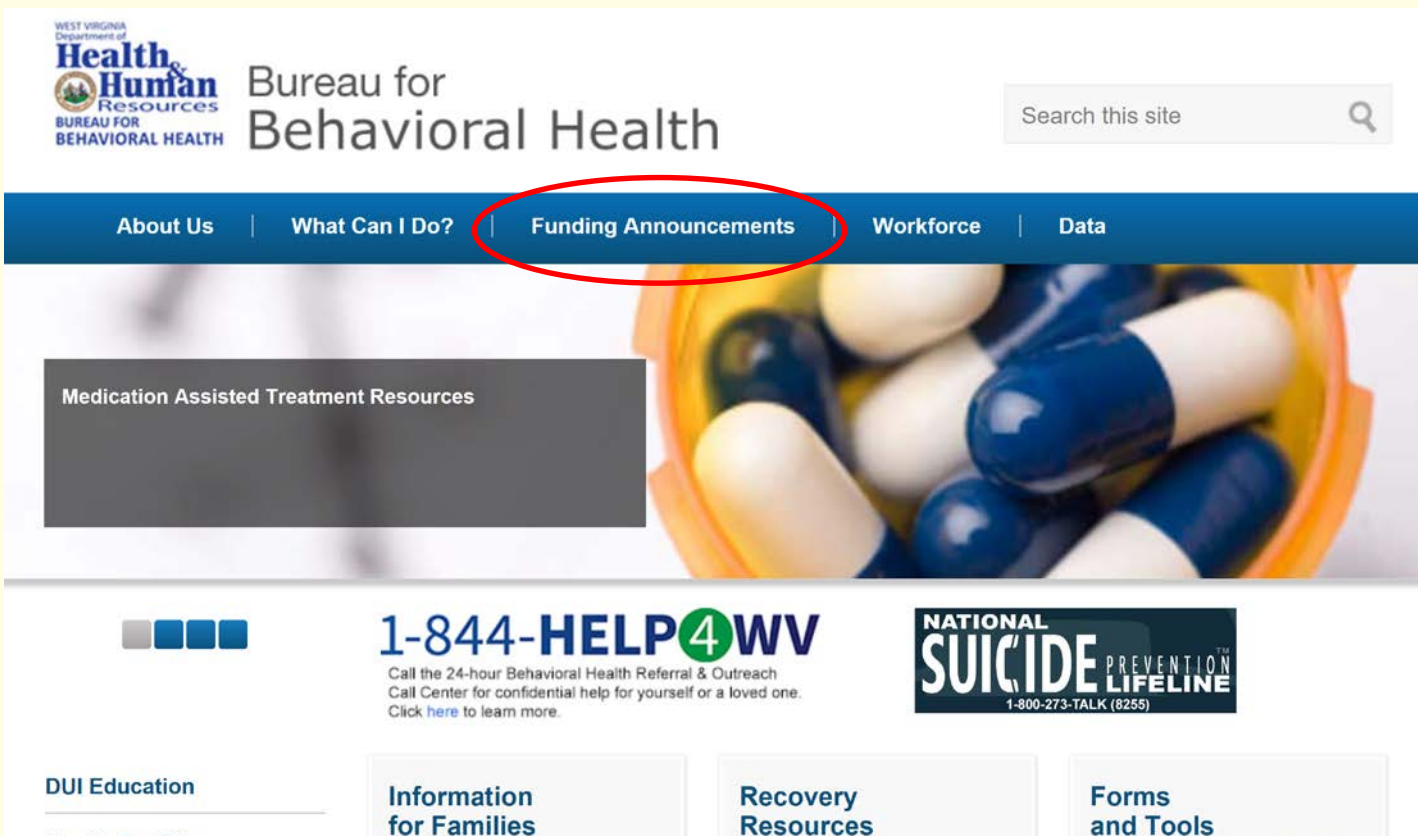

1. Creative Collaboration
2. Proactive Thinking
3. Developmental Initiatives
4. Transformational Networking
5. Practical Evaluation
6. System Level Planning
7. Nurtured Leadership
8. Target Population viewed as Resource
9. Clear Mission & Cultural Clarity

Beatitudes of Grant Writing

1. Blessed are they who write simple sentences, for they shall be understood.
2. Blessed are the realistic, for they truly know themselves.
3. Blessed are the competent, for they can make it without us.
4. Blessed are they who have a good reputation for they shall walk in sunshine.
5. Blessed are they who have community support, for they shall flourish.
6. Blessed are they who know how to manage money, for they shall never be sued.
